DETAILED ACTION

Response to Arguments

Applicant's argument with respect to the non-responsive amendment filed on 4/22/05 has been fully considered but is not found to be persuasive. Amended claims 1-3, and 17-19 submitted on 4/22/05 are directed to an invention that is independent or distinct from the invention originally claimed, for the reasons set forth in the communication mailed on 7/14/05. Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 1-19 are withdrawn from consideration as being directed to a non-elected invention. 37 CFR 1.142(b) and MPEP § 821.03. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Helen L.
